

The DV8 family has been blessed to be a member of the Greater Cincinnati music community for 15 years. Our path has not been without challenges, but through the love and support of our families, friends and fans, the popularity we have experienced during this time is more than we ever dared to dream. We are forever grateful for the opportunity to perform for you and provide a musical experience that delivers joy, creates memories, and allows for a brief escape.

It is with mixed emotions that we announce that Dell McFarland and Philip Gatto have other priorities right now which make it impossible for them to fulfill our jam-packed schedule. Dell and Philip are more than members of DV8 - they are forever part of our family, and nothing is more important than their well-being. While we will miss them and their incredible talent, we wish them both continued success.

We are excited to announce that Aaron Thomas and Steve Kracus have joined us to provide the level of entertainment you've come to expect from DV8. Aaron is one of Cincinnati's top vocalists and musicians. He has performed as a member of the Naked Karate Girls and Aces High, a tribute to Iron Maiden, while also occasionally subbing for other musical projects, including DV8. Steve has been a valued and much sought after guitarist / vocalist in the Dayton area for years. He is a long-time member of the band Mad Hatter and is extremely respected in the area. Adding Aaron and Steve allows us to continue providing exceptional shows. Please join us in welcoming them.

The DV8 family would like to express our gratitude to all of you who have let us entertain you throughout the years. You make it possible for us to do what we love, and, for that, we offer our heartfelt thanks. We're looking forward to playing the music you've come to love from us peppered with some new tunes we are rolling out. We'll bring great music; you bring the party! Rock On!
